Committee Aide:
Tim Clark
Capitol Room 501
465-6821

1. It is the intent of the legislature that the Northern Region Director position shall be filled. The position should be the sole job title held by this individual in DOTPF.

Explanation:

It is the subcommittee's understanding that the responsibilities of the Northern Region Director are now borne by an individual who is filling significant multiple roles at the agency. The subcommittee anticipates the duties of the Northern Region Director will be more effectively fulfilled by someone not already burdened with significant additional responsibilities.
